NOTE TO CUSTOMERS. If you were not a user of ITMS please go to "New Customer? Click Here to Register" (located on this home page). If you previously used ITMS please enter your ITMS userid and password for your first login. All subsequent logins will require you to use the TMSS assigned userid and your personally selected password. Each user who accesses TMSS is required to have their own userid and password.

NOTE TO TRANSPORTATION SERVICE PROVIDERS (TSPs). If you are logging into TMSS for the first time, you are required to use your previously assigned ITMS userid and password. All GSA approved TSPs were assigned an ITMS userid and password. If you do not know your userid or password, contact GSA toll free at 1-866-MOVEGSA with your Standard Carrier Alpha Code (SCAC) and Tax Identification Number (TIN). After you login to TMSS, you will be required to create a new TMSS password. TMSS will notify you of your new userid via email. All subsequent TMSS logins will require you to use the TMSS userid and password. If you are not an approved GSA TSP, contact GSA toll free at 1-866-MOVEGSA.

Transportation Management Services Solution (TMSS)

GSA offers freight and household goods transportation services for federal civilian agencies. Transportation options are accessed through GSA's internet based [TMSS](#) system. TMSS provides:

- Comprehensive online freight and household goods transportation;
- First web based transportation system with an approved electronic bill of lading;
- Shipment booking online feature;
- Volume discounted negotiated government rates;
- Efficient transportation system that streamlines the transportation process; and
- Ease of use.

Centralized Household Goods Traffic Management Program (CHAMP)

[CHAMP](#) stipulates provisions for transporting household goods, privately owned vehicles, and unaccompanied air baggage of relocating federal employees to domestic and international destinations. CHAMP provides:

- Online booking of CHAMP shipments through TMSS;
- Economical advantages through significant savings off commercial rates;
- Over 250 participating Transportation Service Providers;
- Strict Transportation Service Provider approval process;
- Standards/requirements of Household Goods Tender of Service (HTOS); and
- Expert assistance and guidance from GSA's transportation management associates.

Freight Management Program (FMP)

[FMP](#) provides a framework for fulfilling the domestic freight shipping requirements of federal agencies. The program offers rate management services nationally for general commodity freight transportation. FMP provides:

- Online booking of FMP shipments through TMSS;
- Significant savings off commercial rates;
- Over 650 participating Transportation Service Providers;
- Expert assistance and guidance available from transportation management associates; and
- Standards/requirements of Standard Tender of Service (STOS).

Transportation, Delivery and Relocation Solutions (TDRS)

The [Transportation, Delivery and Relocation Solutions Schedule 48](#) meets GSA's customers' needs in domestic express and ground routine shipping needs, employee and office relocation services, local courier services and ground passenger transportation services.

Transportation Audits

GSA identifies and recovers Transportation Service Provider (TSP) overcharges and other debts relating to transportation bills paid by agencies around the world. Visit [Transportation Audits](#) for more information on prepayment and postpayment audits.
